

### Theft of Revolver Jails Man

Torrance police arrested an 18-year-old plasterer on suspicion of burglary following the theft of a hand gun from a central Torrance home. Joe Velardez of 2215 Rockefeller Lane, Redondo Beach, was booked at the Torrance Police Department after John Eichar of 3110 Antonio Ave. accused him of taking a .38-calibre blue steel revolver from his home.

Eichar told police Velardez was working on a plastering job at the Antonio Avenue address Thursday afternoon. When Eichar returned home from work he discovered the gun and several tie tacks missing from the bedroom. Officers recovered the gun when they took Velardez into custody.

POLICE ALSO were investigating two other burglaries here Saturday. Two men smashed a glass door at a liquor store located at 23739 Arlington Ave. and escaped with an unknown amount of liquor.

Theft of Boy Scout camping equipment from the Walteria Club, 25000 Madison Ave., was reported Friday morning. Police said the thief forced entry to a store room in the club.
